

VACANCY

Vehicle Technician

An opportunity has arisen for a permanent full time Vehicle Technician within the operations department in Dunkeswell. Family run SC Group are offering an exciting role in a great working environment, where the successful candidate will also benefit from a favourable reward package.

Key responsibilities are listed below (Not Exhaustive):

- To follow detailed work instructions and technical drawings relating to vehicle manufacture, repair and assembly
- To carry out servicing, inspection, maintenance and diagnostics of Supacat products to the highest standard
- To ensure the scope and timing of assigned tasks are understood, completed as per requirements and in accordance with relevant working procedures
- Work in accordance with current quality procedures and advise any errors or variances to the Workshop Manager
- Maintain all tools and equipment in a clean and usable condition
- Assist in the maintenance of clean, tidy and safe work areas
- Work in other departments and locations as and when required
- To be prepared to work outside normal working hours

Person Specification:

- Ability to work with and without supervision
- Flexible and adaptable to support the nature of work undertaken by SC Group
- Prepared to travel and work offsite if required
- Excellent literacy & numeracy skills
- NVQ level 3 in motor vehicle repairs or recognised equivalent
- Experience in automotive / commercial vehicle sectors
- Competency in communication and teamwork

40 hours/ week Monday to Friday based at Dunkeswell.

Closing date: Friday, 30th November 2018
